iRespond Teacher's Dashboard v7.1.0 Release Notes

- The following items are now recorded to the Session Log:
 - Selected session properties (Allow Anonymous Logins, Randomized Questions, etc.)
 - Client IP address at login
 - Student answer changes with timestamp
- Modified Edutrax export to include Essay/Constructed Response and Doodle question types
- Zero-Weighted questions now reflect as a blue bar color rather than a red/green color
- Added new Session Summary dialog to include the following features:
 - Notification of any remaining users that are online
 - Notification of any unanswered questions
 - Notification of any Essay/Constructed Response or Doodle questions that must be manually graded
 - Button to print "Test Results" report
- Modified the Session Progress bar to be consistent across all devices for any skipped/unanswered questions
- Modified session scoring to use weighted point values
- Added new mode for large audience polling (Ultralite Remotes Only)
